Get Connected With Your Community...Volunteer!

Be a part of your community as a volunteer. The City of Tempe municipal volunteer program places volunteers in city government offices, facilities and in city-run programs. Volunteers assist city staff and expand and enhance the services offered to the community. You could serve at the Tempe Public Library, Tempe Historical and Petersen House Museums, a city office, or as a youth sports coach, member of the city's Crisis Response Team and more!

You'll not only be serving your community, you'll be an active part of it! Visit our website or call 480-350-5190.

On-going CARE Drive-Help members of your community going through trauma or crisis by donating items that are used to create small "care packages". These packages are distributed by the city's CARE7 Crisis Response Team and can help carry a family through the night or other period of crisis.

Wanted are tuna, peanut butter, crackers, hard candies, cleansing wipes, facial tissues and inexpensive manual can openers. Because the need is ongoing, there is a permanent collection bin for these items located in the Tempe Public Library.

For information on other ways to help or the CARE7 Crisis Response Program, contact Lori Garcia at 480-350-2969.

The City of Tempe is an equal opportunity/reasonable accommodation employer.

schools or who own property in Tempe. A Post Office Box is not considered a Tempe residential address and will be treated as non-resident.

Fees charged for classes or activities do not cover the cost of equipment or facility usage, but are charged to offset the cost of instruction and leadership only. Museum Volunteer Orientation

Tuesday, June 8, 1:30 pm

Take a step into history and learn about all that volunteers can do this summer at the Tempe Historical Museum, 809 E. Southern Avenue, during this hour-long orientation for new and prospective volunteers. Teens are invited, too!

NEW! Train to be a Museum Gallery Guide Online!-Now you can become a museum docent on your schedule! You'll follow a guided online curriculum and work with a mentor to learn how to lead tours at the Tempe Historical Museum. Volunteering as a gallery guide is a great way to represent Tempe, meet new people and learn more about your community. Volunteering also offers the opportunity for field trips, social activities and extended learning. Find out more today by calling 480-350-5190.

Youth Sports Coaches Needed-Have fun and help kids by being a volunteer sports coach! Summer opportunities exist for coaching basketball for boys and girls. Games and practices are held weekday evenings. For more information and an application, contact Shane Isabell at 480-350-5222.

Volunteers Needed for Home-Delivered Meals Program

Make a difference! Deliver meals to elderly and disabled homebound citizens in Tempe. Deliver any weekday between 10 am and noon. Use your own vehicle or ride with the American Red Cross. Mileage reimbursement provided. Contact Laura at the Escalante Senior Center at 480-350-5872.

Program Philosophy-Classes are designed to provide the participant with the basic skills in a craft or subject so that he/she can use these skills during his/her leisure for enjoyment and recreation. These classes are not academically oriented, nor are they taught within the frame of reference of an institution such as a high school or university. The City of Tempe Community Services Department is providing leisure time activities rather than training to be professional potters, painters or dancers. Our purpose is to introduce the public to the fields of arts, sports, language, crafts, dance, exercise, culture and music for leisure enrichment.

Upcoming Exhibits

The Bug Line is Coming!

This exhibit commemorates the thirtieth anniversary of the Bug Line, a free bus line that went between Christ-Town Mall in Phoenix and Arizona State University from 1974 to 1976. Using photographs, art work and stories, the exhibit explores the history and impact of the Bug Line, which got its name from the fiberglass "bug parts" attached to the buses. Started by two ASU students, the Bug Line demonstrated to Valley transit officials that there was a demand for cross-town bus service. The exhibit opens April 17.

Celebrating the Tradition of Arizona Highways:

Photographs of David Muench and Jack Dykinga
 Arizona Highways is an internationally acclaimed magazine and a leader in quality landscape photography. This exhibit commemorates the magazine's 75th anniversary by featuring the work of two significant photographers currently contributing to Arizona Highways: David Muench and Jack Dykinga. It is on tour through the Arizona Commission on the Arts Traveling Exhibitions Program, opening May 29 and running through June 28.

Rowing

Juniors Rowing-Junior refers to high school age rowing or, anyone 18 years old or younger. Rowers spend their first year as a Novice rower, learning the skills, the mentality and gaining physical fitness to produce a smooth, stable boat. At competitions, Novice rowers race against other rowers that are in their first year of rowing, leveling the playing field and creating some exciting race opportunities. After completing The Novice year, rowers enter into the varsity class to improve skills, fitness and focus on upcoming races. There is more emphasis on boat selection and A squads and B squads are formed.

The float test is conducted the during the first session of class at a City of Tempe pool, usually Kiwanis Recreation Center. Students will be asked to float, tread water and/or swim unassisted for ten minutes. Please come with shorts and a t-shirt to float in, as well as a change of dry clothes. A presentation on rowing safety and a class introduction will be held at the pool, as well.

Adult Rowing

Adult Rowing encompasses any one who is 18 years old or older. Whether you are an accomplished competitive rower or if you have never seen a rowing shell before, we have a class for you.

Learn to Row 2 will allow you to improve your newfound skills (or remember your old rowing skills!) and prepare to join the Novice Rowing Program. The Novice Rowing Program gives you the opportunity to row as a team; form boats and, possibly, put your skills to the test at one of our local rowing races.
- Fitness/Intermediate rowing focuses on the enjoyment of rowing a shell and getting a great workout in the process.
- Competitive Rowing is for those who have had one or more years of rowing experience. This group focuses on competitive rowing and traveling to regional races.

Learn to Row 1-Designed exclusively for first time rowers, this course will lead you through the basics of rowing a four or eight person shell. Safety, boat handling, proper rowing technique and developing fitness are stressed. Participants must be able to pass the 10 minute float test* and have a basic level of fitness. The first class will meet at a local pool for the float test and safety video presentation. Attendance of the first three classes is mandatory. 4 weeks. Fee: \$103.

Adult Tennis Leagues (480) 350-5201

League play is on a Summer Siesta for Summer Season. Fall leagues will begin after Labor Day and registration for Fall Leagues begins mid-August. Our professional recommendation is to keep your tennis game in shape and tennis appetite quenched during summer months with play in the KRC Impromptu Programs or Valley-wide team play sponsored by Arizona Tennis Association, Play Tennis and USTA.
